

RISKS & FEASIBILITY

- ☐ Can we do it? Do we have the skills?
- ☐ Is it too big? Can we slice it? Can we increase estimate confidence?
- ☐ Will missing design or copy block us?
- ☐ Will we be blocked/stalled by external dependencies?
- ☐ Are external experts and partners known, and available?

As a **<who/role>**,
I want **<goal/desire>**
so that **<benefit>**

BDD alternative

Given [context]
And [some more context]...
When [event]
Then [outcome]
And [another outcome]...
